

## Caring Collective Learning Series:

### THE VOLUNTEER BLUEPRINT

*Designing & Developing Volunteer Programs*

**Date:** Friday, June 27, 2025

**Time:** 12:00pm

**Location:** J-1 Building Loevner Conference Room

\*Attendance via Zoom available upon RSVP\*

#### What You'll Learn:

- How to design and start a volunteer program
- How to maintain and improve an existing volunteer program
- How to connect with and support volunteers
- Real life stories and challenges about running a volunteer program

In this event, our presenter Dawnyelle Singleton, will use her years of experience as the Manager of Volunteers and Community Programs at Planned Parenthood of Southwest and Central Florida to talk about what it takes to design, maintain, and improve volunteer programs. We'll learn about the programmatic as well as the interpersonal details that can go into this work. Join us to learn, ask questions and connect!

**Presenter: Dawnyelle Singleton**

**Manager of Volunteers and Community Programs**

Dawnyelle is the Manager of Volunteers and Community Programs at Planned Parenthood of Southwest and Central Florida, where she leads efforts to organize volunteers and connect communities with vital education and health services. Along with her work experience, Dawnyelle is a graduate of Leadership Sarasota, Gulf Coast Leadership Institute, and a past recipient of our own Emerging Leader award bringing decades of leadership experience through civic engagement.
